Author's Message

After this volume
it might look different because it
is probably the last time
you'll see Yukito with brown hair.

The cover illustration for this time
shows Yukito with brain hair
because in this volume the two still
have four months to meet,
and one month hasn't passed yet.

If it continues at this pace,
it will struggle on until summer.
I wonder just how will
this book turned out...

We Experienced The Affair

CHARACTERS

■ Kaji Yukito ■

He's a former yanki and is very popular. He calls Kotori, Pii-chan.

■ Kaji Kotori ■

She's a girl who loves Otome Games. She hasn't even had a living boyfriend! Tut...

STORY

A BOY NAMED YUKITO CAME IN LATE TO CLASS ON THE VERY FIRST DAY OF THE HIGH SCHOOL OPENING CEREMONIES, AND NOT ONLY THAT HE HAS THE SAME LAST NAME AS KOTORI. SOMEHOW, BEFORE ENTERING HIGH SCHOOL, HE ACCIDENTALLY WITNESSED KOTORI BEING HONORABLY DEFEATED, WHEN SHE WAS USING AN OTOME GAME DOWSING ROD IN TOWN. HOWEVER, THERE'S A RUMOR THAT HE USED TO BE A YANKI DURING JUNIOR HIGH SCHOOL. FOR SOME REASONS, YUKITO STRANGELY MADE A PASS AT THE ALWAYS WARY KOTORI. AT THAT TIME, SHE DIDN'T KNOW HOW TO RESPOND AND SHE PANICKED. YUKITO, NATURALLY, WAS IMMEDIATELY ATTRACTED TO THE PURE KOTORI. KOTORI HAS ALSO BECOME ATTRACTED TO THE ALWAYS GENTLE YUKITO. HOWEVER, CONFUSED BY HER OWN FEELINGS, THE ONE THAT IS NOT BEING HONEST IS KOTORI. WHAT WILL KOTORI DO—

We Experienced The Affair.

Somehow... I'm always being made to go at Kaji's pace...
Ah!
It looks like it's going to rain.
Also, for some reason by another
being made to go at this kind of pace... is kind of mortifying.

Whenever I look at Kaji from behind, he seems pretty strong...
I wonder who he thinks of me
I'm always the one in front of him.

...Why do you like Doki Memory so much?
Eh ...? Why, you say ...?
First, everyone is so cute!
Is that so...?
He's also nice and very reliable ...
Second, Hikaru doesn't lie and is good at sports
Whenever some-thing bad happens He's a little shy, which is very cute
...And ...
... that person can't hurt me.

Pii-chan...
Do you really see that game as reality?
I think if there is a person who can succeed, it's Hikaru.
...
HEY!
Next, let's play that one!
Huh?
Uwah! What is that?! I didn't know that was real!
But Kaji, will you really play it? You think that Doki Memory is stupid!
I'll play it since it's Hikaru that you like! I'll absolutely bring him down!!

I always won, when my brother and I played these games
Why... is he so strong ...?
I never lost!
I lost because he did a swift attack
Yeah. Right now, he's a 3rd year high school student.
No way!
Pii-chan has a brother?
Ramune flavor.
A new flavor? No! I didn't know! What's the flavor?
Did you know that Chupa has a new flavor? I found out yesterday, when I went to the convenience store.
Ramune? Really?! I wonder if it tastes good...?
Kaji also has an older brother?
That's same as my aniki?!
Aniki always makes me so irritated!
yeah!
Aniki older brother, but it's more like mentor

Here!
Ah!
Thanks...
Since I just ate the Ramune flavor, I think I'll win this time!

Somehow...
It feels like it is fun

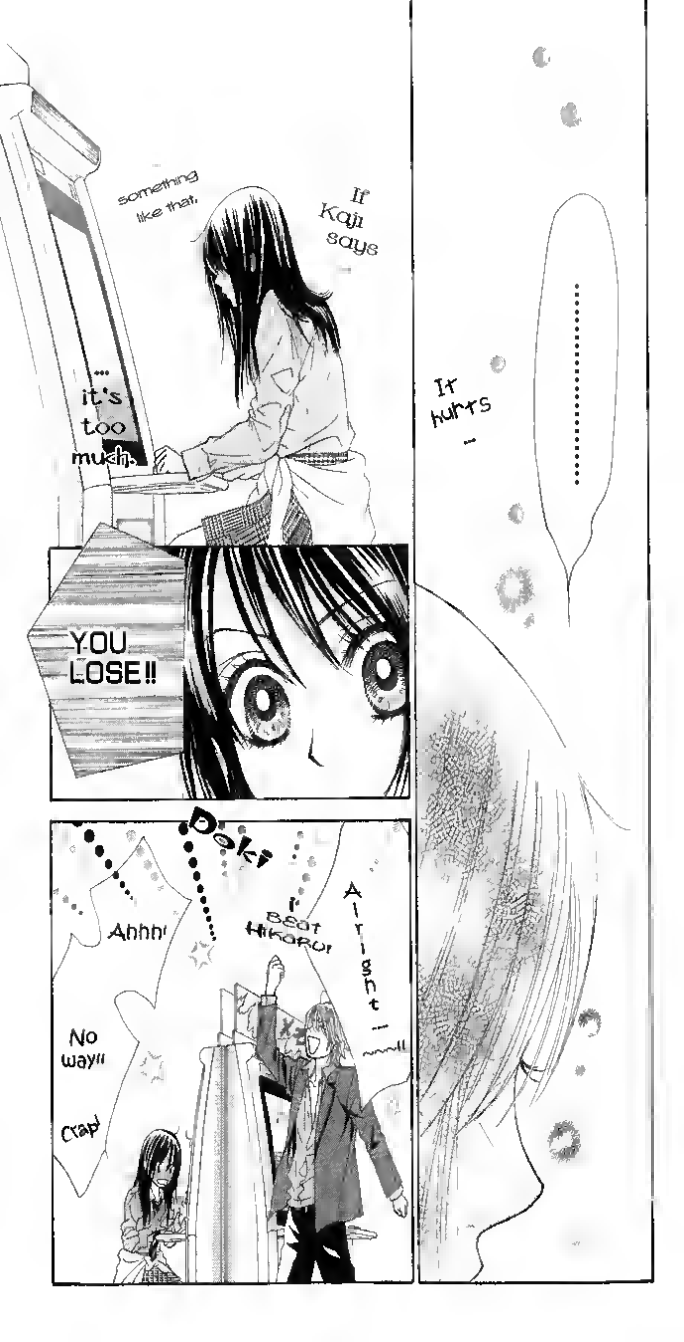
One more time!
DOKI MEMORY
I thought I didn't like him, but I'm talking normally to Kaji
...
No!
Kaji is so quiet I'm really bad at conversations!
Uwah! Why am I saying weird things?!
Well, aside from that, Kaji also likes game arcades.
Um...
How do I say this...? I don't really understand, but... this feeling. No! It's not because I don't understand, but...
.....
.....
Huh
Ah!
Eh?! That's because before we went in, you said "lucky"!
Eh?! I thought you didn't like them! Since when we came in, you said "lucky"...

Pii-chan ... Do you always say slow, dull, dimwitted things?
Huh?
SHAKING
It seems like if you be more like yourself like you were before, you would get along with others better.
It was good, but ...
This was so much fun!
I decided to come here on a whim but...



It hurts

If Kaji says
something like that,
... it's too much.

Alright!
Ahhh!
No way!!
Crap!

Why...
Just now did he hear...
what I was thinking?
If I just act like myself...
Kiyi's words had some meaning...
Hikaru isn't that big.
But before that, you lost so many games
Geez, I forget that
What did you stick on my face?
Is it like Print-club photo sticker?
Ehhh?!
Normally, isn't it okay...?

Kaji said, that occa -sionally...
his heart beats faster when he's around me

Could it be Koji was also thinking about destiny?
Destiny?
Well....
Do you have faith in it?

If we believe in it, doesn't it mean we have faith in it?

What's with that?! You're saying something strange!
There is absolutely no meaning with us having the same qualities!
If I get it, go out with me.

Besides, there are better looking girls than me. It's impossible ...!
It's been on my mind a lot, and I'm worried ...
Because I know you're just going to make fun of me since I am kind of nerdy!!
That — GEEZ!
It's already been decided!

It isn't me hat thinks like that. Isn't it just Pii-chan that's thinking like that?

I like you
Do you understand?

What do you think? Will it suit me?
Well, I don't particularly like it. It's okay, isn't it?
Geez! Smile a little!
